FINAL
ANSWER:

Trivia Blitz

Do something different at your next party. Bring a "live" game show !!!

Game Show Gurus regularly brings games shows to many school assemblies, corporate events, promotions, and venues. Now you can have a smaller version at your birthday party, graduation party, or other event. We play a smaller version of our famous *Interactive Trivia Blitz* with cool flashing lights and awesome ring in buzzers. Show them how smart you are with our high speed fun. Plus we will even play some music as well. Great for everything from kids birthdays 5 and up and any other types of events (even for adults) that you can think of.

Right: *Trivia Blitz Promotion at Kalahari Resort in Wisconsin Dells in their indoor pool lobby. Kids and adults love it. Below: Ezras Isreal Holiday party. Shown with optional podium.*

We can produce many other types of game shows, including programs much larger than this, and for other markets as well. Plus we even have DJ and Karaoke for types of events.
